- **Thank you** – hey, church, thank you so much for your faithful giving and loving Jesus and others – couple Sundays ago, our projector had a hard time turning on in the morning services and then died in the evening – it had been going dimmer and dimmer for a while now – with its dying last week, we needed to replace it – we looked into the cost and effectiveness between TVs and projectors and found that replacing our 110-inch projector screen with the 98-inch TV was more cost effective and would last longer and give us a better picture – we were able to get a brand new TV from Best Buy at half off retail – Pastor Dan
