

OUR MISSION

To share the transforming love and forgiveness of Jesus Christ. To impact the hearts and lives of the women incarcerated in NERC as they desire to become more loving and productive citizens of their communities.

We Care Ministry, Inc., is a nonprofit ministry whose mission is to provide love, support and basic hygiene items for the woman residents of North East Reintegration Center (NERC) Cleveland, Ohio. Through Bible Study each Friday night and Retreats each quarter, we provide for their spiritual growth. Providing the essential basic hygiene items not only benefits their overall health but also helps to build their self- esteem. Many of the women are unable to obtain the needed hygiene items that We Care provides.

We are making up 500 bags, December 18, to take into the prison December 21.

We are in need of ***Dermacil lotion or cream and bar soap***. We are limited to the kinds of creams and lotions taken in because of certain ingredients. We have no restrictions on bar soap but can only take in ***Dermacil***, which can be purchased at Dollar Tree.

Donations of money are also tax deductible and accepted year round. Checks should be made payable to We Care Ministry, Inc. and mailed to the address below. A receipt will be sent at year's end for tax purposes.

Mail checks to:
