Did you know?

Our universe is extremely fine-tuned. Things like gravity, the qualities of water, level of oxygen, placement of the earth in the milky way galaxy, even the size of our moon; if any one of 300 key things were not created just right, there would be no life. Coincidence? We have a designer!

NEW

- **Thank you** – “Dear Church Family, I apologize for not thanking everyone for the support, encouragement and covering me in prayer during my mission trip to Colombia. I felt the prayers, for the enemy tried to tear me down but failed. God prevailed. Love in Christ, Kris Fey”
- **Congregational Meeting** – today, after the service. We unfortunately had to put a former church member under church discipline in July of 2022. After intense confrontation, counseling, and a letter of apology, we are ready to move forward with limited contact. Out of respect for the healing that has taken place in the family, please do NOT discuss this with them. Let them heal. This move has the blessing of the NBCC Elders and the family involved. Direct any questions to Pastors Ken and Dan. Thank you, and may the Lord heal our hearts and guard our tongues. We are thankful for the movement that has been accomplished. Forgiveness is commanded, but trust is built, and built through wisdom and healthy boundaries.

REMINDERS

- **2024 FIT Camp** – if anyone is interested in helping this year, see Pastor Joel – we don’t want to turn away kids this year – we are looking for adult leaders to oversee groups of 8-10 students as they go through various stations and activities – if you can support us financially, we are in need of snacks, drinks, camp t-shirts, and fitness/station equipment
- **NBCC Softball League** – this year you will be required to sign up and register before the season begins – we cannot accommodate people just showing up and wanting to play – if interested, see sign-up sheet
