Did you know?

There are 300 flood legends in cultures around the world. The flood happened 4,500 years ago and explains our fossil records, canyons, and the sedimentary strata. The Chinese language is a picture language; the word for flood is a boat with eight people (Noah, his wife, his three sons and their wives). All cultures know of our Creator God and his judgment flood. *Joel Becher*

Thank you – We want to thank Marshall McNeil for his 9 years of service as our Office Manager. We praise the Lord for leading Janet Williams (Pastor Joel’s mom) to be our Secretary, and Miriam Lattimer (husband, Chris, daughter, Liza) to be our Treasurer. Since Janet moved up from North Carolina in 2020, she has served here at NBCC – taking pictures, helping with the youth, serving at Celebrate Recovery. When Pastor Dan was led to ask her about interest in the secretarial position, she replied, “This is the very kind of thing I was praying for.” She has experience in data entry, graphics, and other secretarial duties. Miriam works for an accounting firm and does over 700 employees’ payroll. An added bonus is that she has worked with Church Windows, the financial software that NBCC uses. Miriam will be working off-site, while Janet will work at the church as did Marshall, 10-4, Tuesday through Friday. You may also contact Janet by her cell phone, but seek to be respectful of her time. We feel blessed for the Lord to have led these two ladies to NBCC, and that we could hire from within. Please be patient with us as there will be a learning curve. We believe God is forming a real team to take us to the next level – to make more and better disciples of Christ.
