LifeWise Can Come to Marlinton – If We Sign the Petition

Back in the 60’s we took God out of school. Now America is #1 in teenage pregnancies and divorce. Abraham Lincoln said, “The philosophy of the schoolroom in one generation is the philosophy of government in the next.” We are in trouble, but even our society knows that. In 1952, the Supreme Court ruled that students can be taught the Bible, during school hours, if it was off campus, privately funded, and parents gave permission. Church, we have an opportunity! Check out LifeWise. You can sign the petition even if you do not live in Marlinton. Let’s get the name of Jesus out to this next generation, many of whom have never even heard. See their website: <https://lifewise.org/district/3904988-OH-Stark-County-Marlington-Local/>
